"When I was little, my father was famous. He was the greatest samurai in the empire... He cut off the heads of 131 lords for the Shogun." - Words From 'Shogun Assassin' and Gza's album, "Liquid Swords". Ask us to throw on this hip hop record for the full effect.

ON THE CHAISE LONGUE ALL DAY LONG | 2 OZ | \$14
MANCHESTER GIN, PEACH, ROSEMARY, PEPPERCORN SYRUP

WEEKEND AT ROY'S | 2 OZ | \$14
VODKA, KOREAN YOGURT, PEACH, RASPBERRY & LEMON
I used to work 'til midnight on Saturdays, then go for food + drink at Anju. Roy would be sitting at the bar, and I would stay for hours shooting the shit and drinking soju. I loved that place and the soju. Every now and then I'll see Roy around, but I'm pretty sure he doesn't know who I am. Either way, kudos to Roy.

LONDON FOG | 1.75 OZ | \$14
EARL GREY INFUSED VODKA, EGG WHITE, HONEY, LEMON &
HOUSE-MADE LAVENDER BITTERS.
When I was a teen I used to play open mic at a cafe in Kensington every Thursday. Since I couldn't drink, I would just chug London Fogs all night. It was a great place to meet people and it gained me lifelong friends. Cheers to London Fogs.
